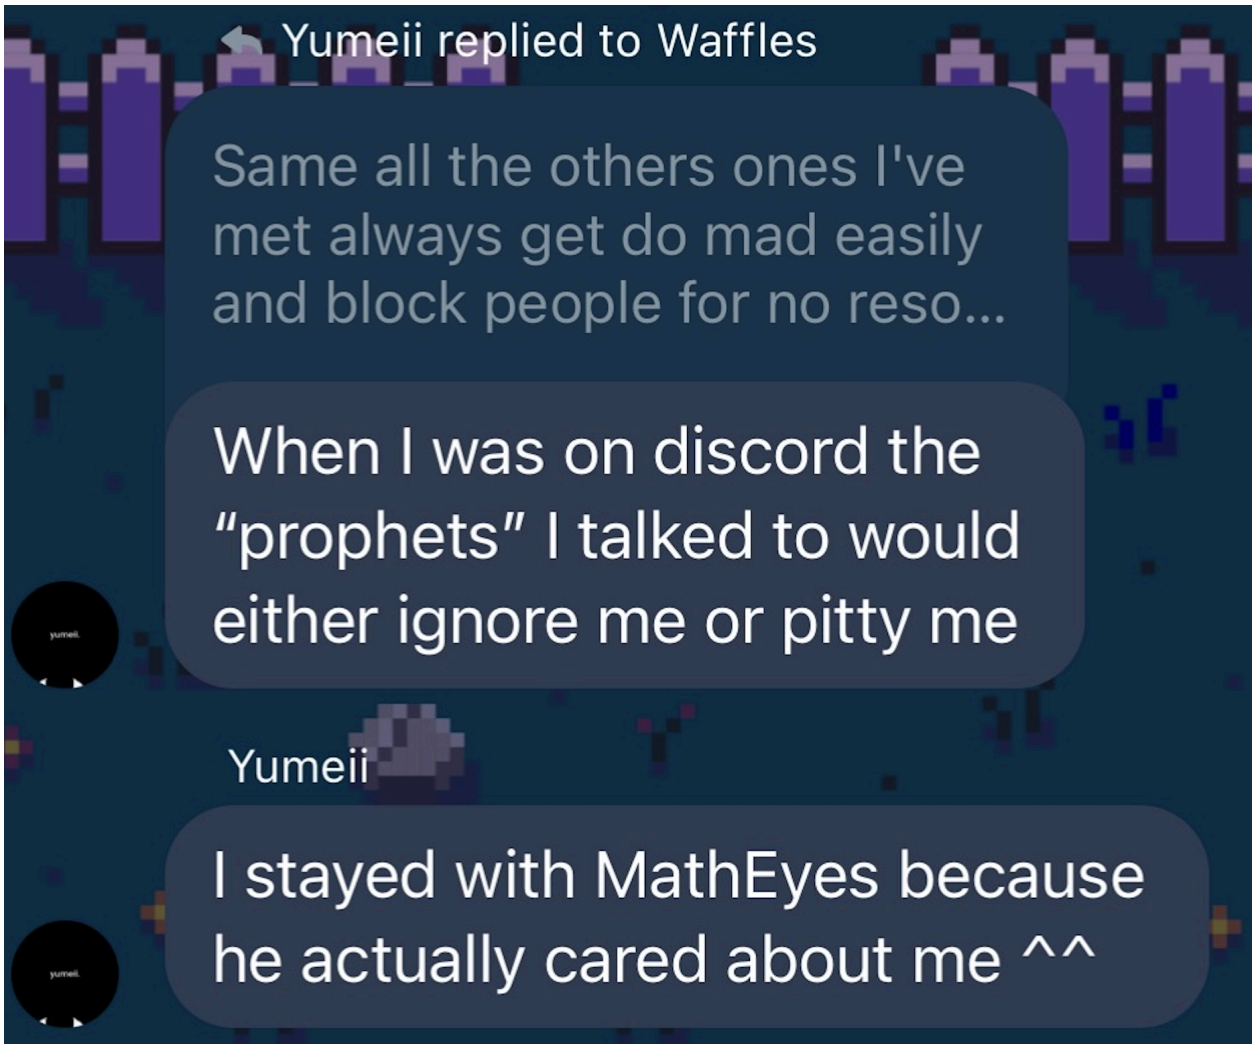
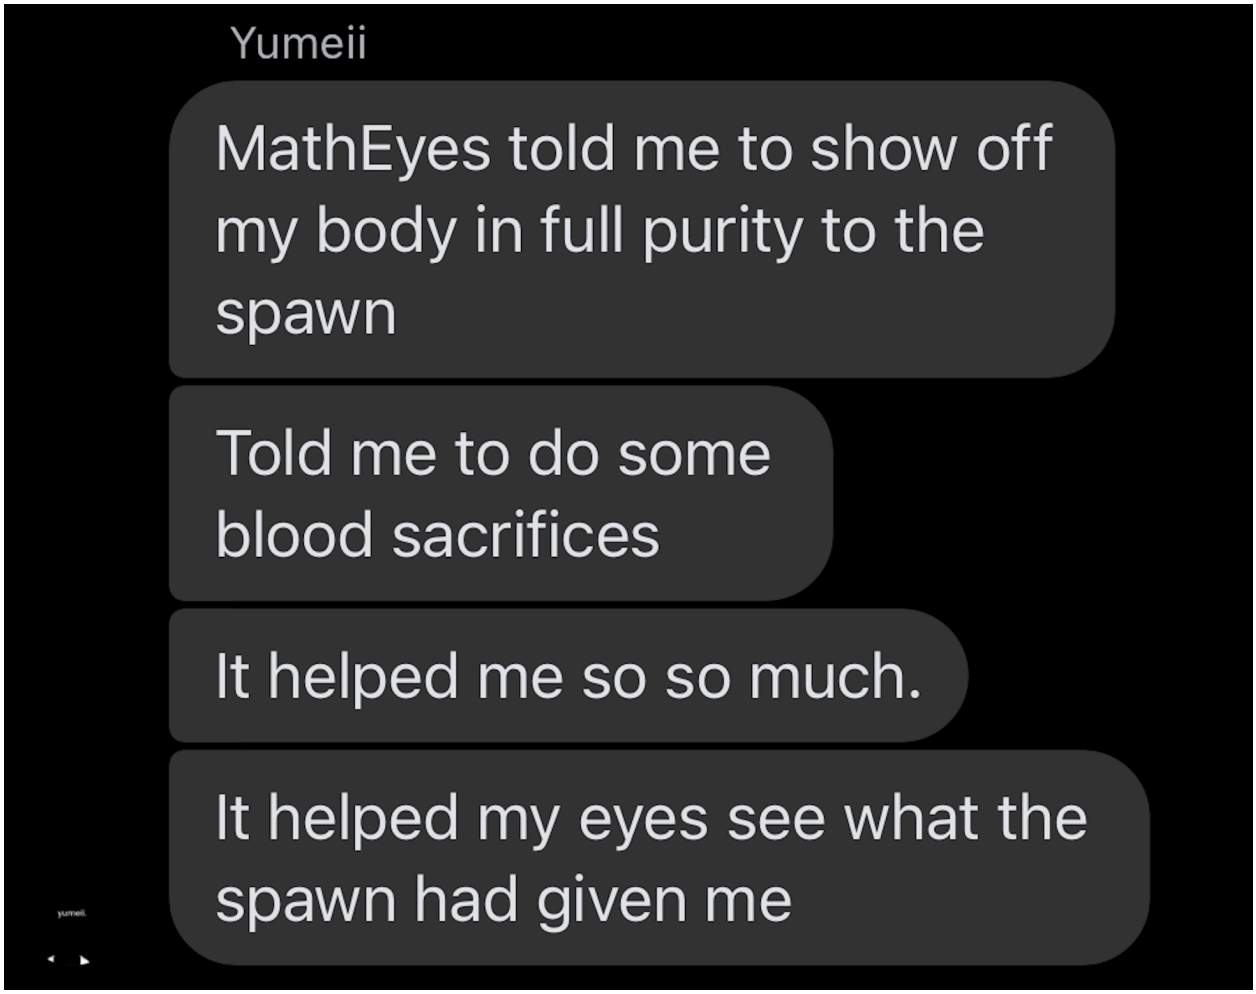
Maybe.
What I was trying to say was that the Fearful branch is where most of the cult groups are formed
Simply because of the belief that if we FEAR the Spawn, then we MUST sacrifice and give offerings.
I am no cultist
But I do believe to keep peace with the Spawn, we should give things.
Even ourselves



Yumeii replied to Waffles
Same all the others ones I've met always get do mad easily and block people for no reso...
When I was on discord the “prophets” I talked to would either ignore me or pitty me
Yumeii
I stayed with MathEyes because he actually cared about me ^^



Yumeii
MathEyes told me to show off my body in full purity to the spawn
Told me to do some blood sacrifices
It helped me so so much.
It helped my eyes see what the spawn had given me

Matheyes

We used to be like that

Months ago

When we had multiple leaders and shit

I never really personally did it

Atleast I don’t recall

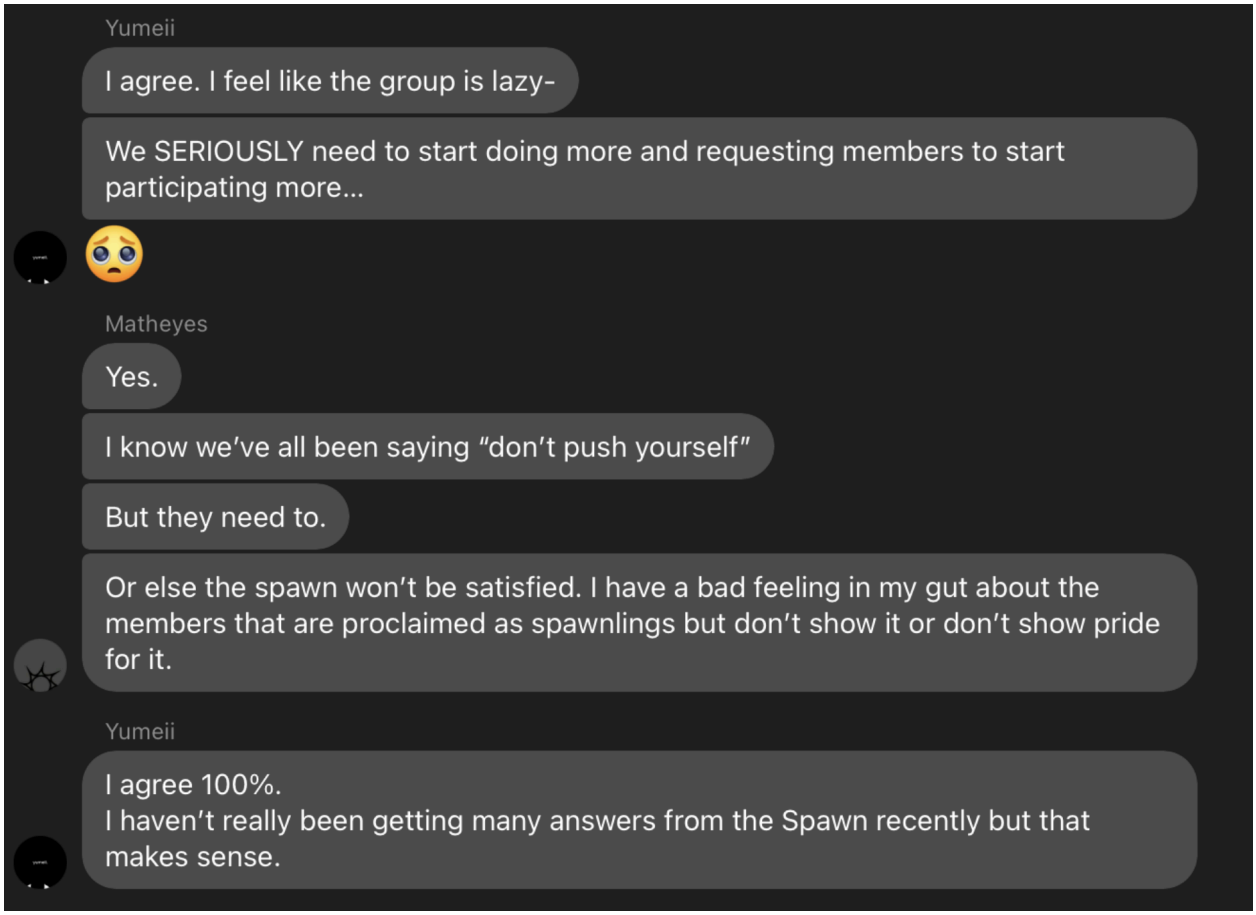
Waffles

Ok but we dont have to do that right there other ways to make the spawn happy

Matheyes

Yumeii is asking

And her other solution is killing herself



Yumeii
I agree. I feel like the group is lazy-
We SERIOUSLY need to start doing more and requesting members to start participating more...
Matheyes
Yes.
I know we've all been saying "don't push yourself"
But they need to.
Or else the spawn won't be satisfied. I have a bad feeling in my gut about the members that are proclaimed as spawnlings but don't show it or don't show pride for it.
Yumeii
I agree 100%.
I haven't really been getting many answers from the Spawn recently but that makes sense.

Problems

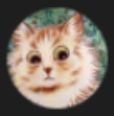
what about his take on spawnism

Yumeii

I don't recall him talking about it?

It's not predatory

Problems



grave group or spawnism isnt

Yumeii

...neither ?

Why would it be predatory

Waffles

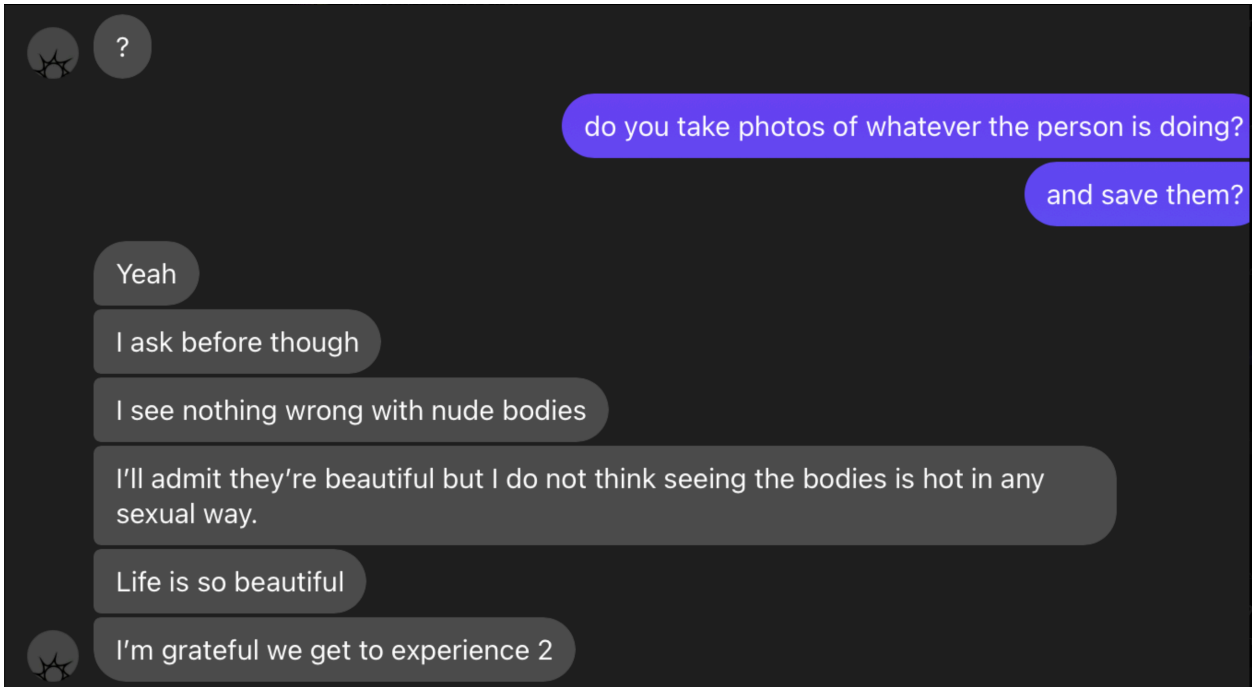
People call spawnism grooming alot

Problems

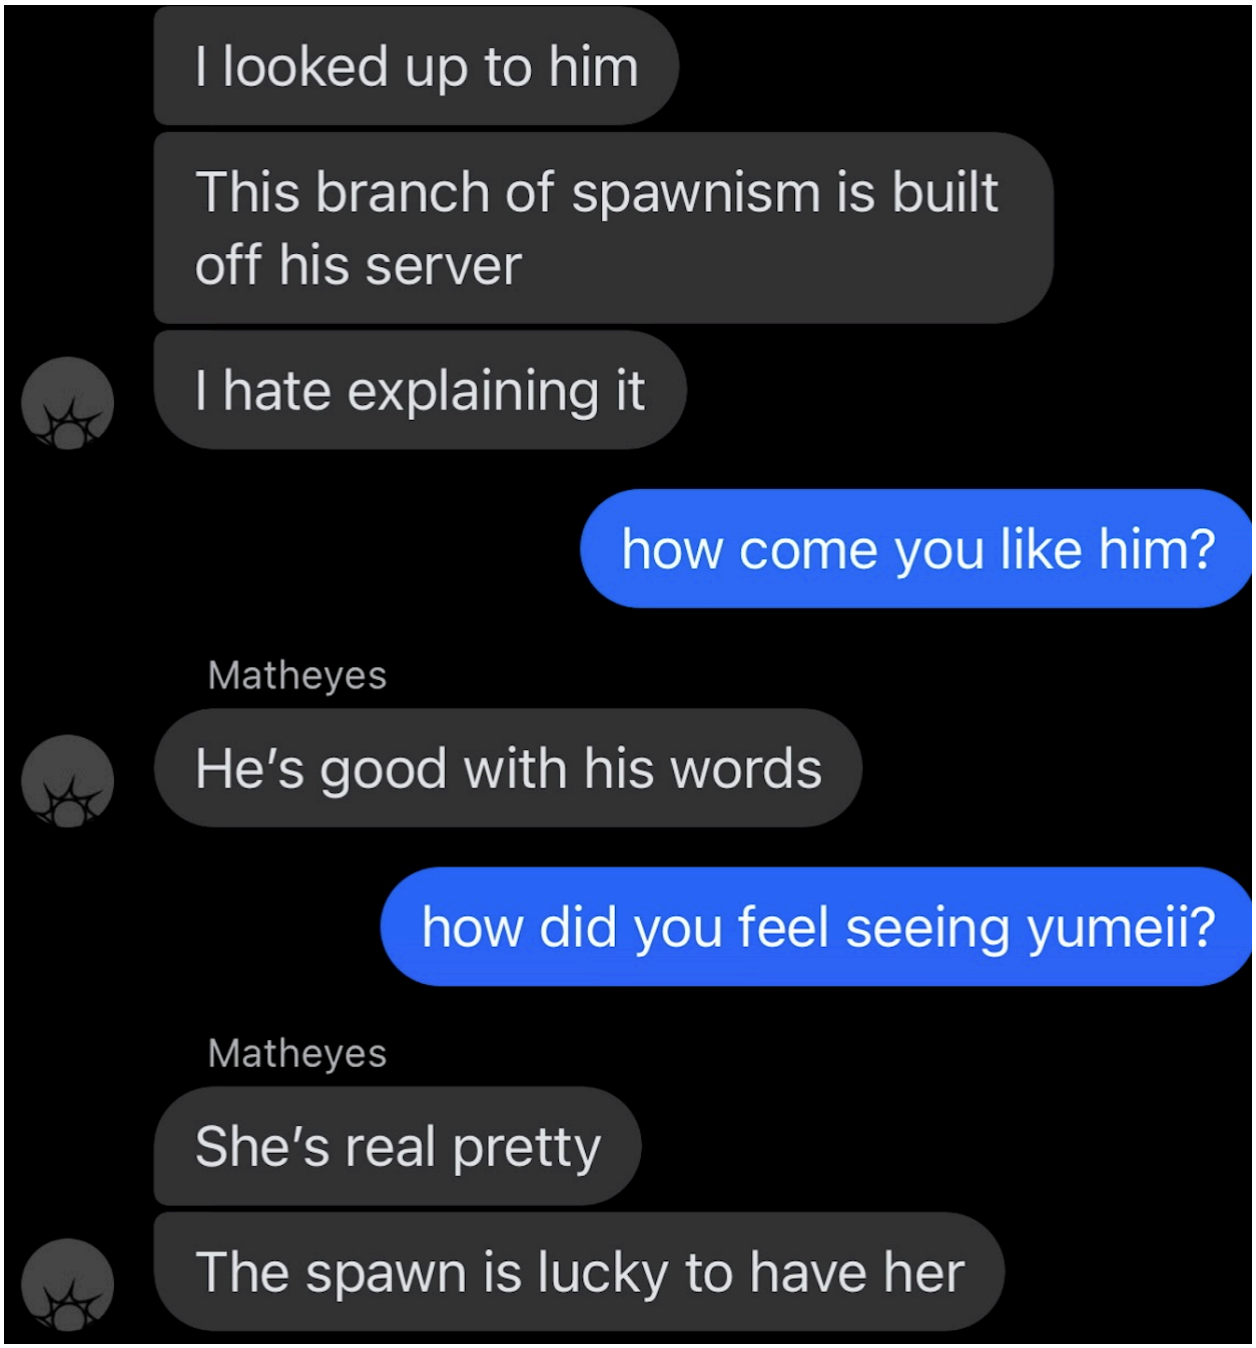
oh my mistake

Yumeii

Uh okay



?
do you take photos of whatever the person is doing?
and save them?
Yeah
I ask before though
I see nothing wrong with nude bodies
I'll admit they're beautiful but I do not think seeing the bodies is hot in any sexual way.
Life is so beautiful
I'm grateful we get to experience 2



I looked up to him
This branch of spawnism is built off his server
I hate explaining it
how come you like him?
Matheyes
He's good with his words
how did you feel seeing yumeii?
Matheyes
She's real pretty
The spawn is lucky to have her
